Subject: Grievance no. PMOPG/E/2022/0319683 dated 01/12/2022 -reg.

Sir,

Please refer to your grievance with Registration No. **PMOPG/E/2022/0319683 dated 01/12/2022** received by the undersigned on 30.12.2022 regarding the declaration of Himalayan Yak as a "Food Animal".

2. In this regard, this is to inform you that the list of animal species considered for use as meat and meat products is specified in the Food Safety and Standards (Food Products Standards and Food Additives) Regulations, 2011. Currently, FSSAI has not declared Himalayan Yak as a "Food Animal".

This issues with the approval of competent authority.

Yours faithfully

(Pushp Vanam)
Joint Director,
Science and Standards Division, FSSAI
